3rd January 1942.

Dear Sir,

I am writing this letter on behalf of the authorities of Shri Subrahmanya temple in South Kanara. With great difficulty, the District Board was persuaded to open a rural dispensary at Subrahmanya in South Kanara with a contribution of Rs.350 to the Board from the temple. The trustees of the temple seem to have decided that an Ayurvedic dispensary ought to be started in that place, as per terms of a Decree of Court.

The District Board, I hear, is agreeable to have either an Ayurvedic or an Allopathic dispensary in that place. I understand, your predecessor Mr. Dixon insisted last year, on an Allopathic dispensary. The matter was therefore dropped, as both the District Board and the temple authorities were keen on having an Ayurvedic dispensary.

I believe, the papers are before you. I would like to come and interview you in this connection and place the view-points of the trustees before you. May I know if it will be convenient for you to see me? If so,

/ contd.

kindly let me know when I can come and discuss the matter with you.

Hoping to be excused for the trouble I am giving you,

Yours sincerely,

V.N. Kudva Esq., I.C.S.,
Secretary to Government,

Medical institutions - Rural - South Kanara Dt. Board - Subramanya. Opening of an Ayurvedic dispensary.

In June 1940, the P.D.B. South Kanara requested permission to open a rural Ayurvedic dispensary at Subramanya, the cost of its maintenance being met partly by the Dt. Board and partly (Rs 350) by the authorities of the local temple. As the financial position of the Dt. Board was not satisfactory, the P.D.B. was advised to defer the question of opening a rural dispensary at Subramania - Vide G.O. No 3461 PH d 29.8.40. Again in November 1940, the president requested reconsideration of the above orders. The question was re-examined in consultation with the L.A. Deptt and in their recommendation, the Dt. Board was permitted inspite of its poor finances, to open a rural dispensary of modern medicine. The P.D.B. S. Kenara then brought to notice that the scheme for the administration of temple funds distinctly provided for expenditure on an Ayurvedic dispensary and he therefore requested permission for the opening of an Ayurvedic dispensary. As there had been no improvement in the

The financial position of the S. Kanara DB is not satisfactory. Its budget for 1942-43 opens with a deficit of Rs 10,120 & closes with a deficit of Rs 18,600. In the order on the current year's budget, the Board was asked to reduce the expn on Public Health by Rs 15,000, but the revised estimate (Rs 1,03,180) is actually more than the budget estimate (Rs 1,03,330). In spite of this the Board has proposed the opening of two new Maternity & Child Welfare Centres at Pattikere & Bellare & a rural dispensary at Subramanya.

In his note on page 21 of Go. 5705 C&P dy 4-12-40, the previous Secretary (Mr. Dixon) agreed to the proposal to open a dispensary. In view of this, this dept need not object.
